Elizabeth Court

High Street, Theale, Reading RG7 5AQ

The scheme is an attractive red brick building in the residential area of Theale. There are 51 studio and one bed flats arranged on three floors and accessed by lift.

The flats typically have a living area with built-in storage, as well as a separate kitchen and bathroom. Many flats have views of the gardens or look out onto open fields.

The scheme has a resident manager and is regularly visited by a mobile library, a chiropodist, an optician and a prescription service.

The scheme shares its site with Leonard Court and there is direct access through a walled garden onto Theale High Street. The area is well served by public transport and there are shops, GPs, a church and a library nearby.

We welcome residents from all sections of the community.

Retirement rented schemes

James Butcher Housing Association provides self-contained flats in 23 retirement rented schemes in southern England for more than 1,200 people aged 60 or over.

Our schemes have open waiting lists. To find out more, call the scheme manager.

At retirement rented schemes, residents sign up to an assured tenancy agreement and work with us to draw up a plan of the support they will receive. The cost of this support may be met by funding from the council's Supporting People budget if the resident is eligible.

Each scheme has a manager who provides

support while on duty. Out of hours, residents have access to a community alarm call system.

Scheme managers:

- support residents to manage their tenancies
- make daily calls to all residents
- promote continued independence
- encourage residents to get involved in scheme activities
- involve other organisations that have resources to offer our residents.

Alongside the flats, schemes usually provide some shared facilities. For details see the front of this leaflet.
