The Chestnuts

Wheble Drive, Woodley, Reading RG5 3BZ

The Chestnuts is a new scheme in the centre of Woodley, which opened in 2004. It has a secluded rear garden with mature trees.

The scheme has a resident manager and an active social programme. There is a weekly prescription service and a six-weekly chiropodist's clinic. A milkman delivers to the scheme. A number of residents attend Woodley Day Centre several times a week and transport is arranged for them. A church service and Holy Communion are held once a month.

Woodley shopping precinct includes two supermarkets, a post office, two pharmacies, a bakery and two takeaways. There are bus stops just outside the scheme, with a regular service to central Reading and the rail station.

We welcome residents from all sections of the community.

Retirement rented schemes

James Butcher Housing Association provides self-contained flats in 23 retirement rented schemes in southern England for more than 1,200 people aged 60 or over.

Our schemes have open waiting lists. To find out more, call the scheme manager.

At retirement rented schemes, residents sign up to an assured tenancy agreement and work with us to draw up a plan of the support they will receive. The cost of this support may be met by funding from the council's Supporting People budget if the resident is eligible.

Each scheme has a manager who provides

support while on duty. Out of hours, residents have access to a community alarm call system.

Scheme managers:

- support residents to manage their tenancies
- make daily calls to all residents
- promote continued independence
- encourage residents to get involved in scheme activities
- involve other organisations that have resources to offer our residents.

Alongside the flats, schemes usually provide some shared facilities. For details see the front of this leaflet.
