Community alarm system

Communal facilities

Two communal lounges

Laundry

Guest room

Car park

Courtney King House

Eastern Road, Brighton BN2 0AP

Courtney King House is a sheltered scheme promoting independent living for older people. The scheme is located on a hill in the heart of Brighton's Kemp Town, next to Royal Sussex County Hospital. The flats are large and some, on the upper floors, have sea views or views across the town. Many flats also have level-access showers.

A frequent bus service stops outside the scheme and local shops are a few minutes' walk away. The scheme benefits from a lively social programme, a weekly Sunday lunch and a shop for essentials run by residents. Visiting services include a greengrocer and minibus supermarket shopping service.

Scheme vacancies are advertised through the Sussex Homemove choice-based lettings scheme. For more details, call our Service Centre.

We welcome residents from all sections of the community.

Contact the Scheme Manager on **01273 686 322**

How to get there

Road Off the main A23 road.

Bus From outside scheme.

Train London Road Station.

Sheltered housing schemes

Southern Housing Group Limited provides self-contained flats in 24 sheltered housing schemes in south east England for almost 1,500 people aged 60 or over.

To apply for a place, older people will normally need to put their names down on their council's housing register. However there are open waiting lists at some of our schemes. To find out more, call the Group's Service Centre (see below).

At sheltered housing schemes, residents sign up to an assured tenancy agreement and work with us to draw up a plan of the support they will receive. The cost of this support may be met by funding from the council's Supporting People budget for eligible residents.

Most schemes have a dedicated manager who provides support while on duty. Out of hours, residents have access to a community alarm call system.

Scheme managers:

- support residents to manage their tenancies
- make daily calls to all residents
- promote continued independence
- encourage residents to get involved in scheme activities
- involve other organisations that have resources to offer our residents.

Alongside the flats, schemes usually provide some shared facilities. For details see the front of this leaflet.
