Heather House

Hayley Road, Lancing, Sussex BN15 8HW

Heather House is a sheltered scheme promoting independent living for older people. It was built in the 1970s to a courtyard design. Nomination rights are 50 per cent to Adur District Council.

As the scheme has no communal facilities, it is better suited to people who prefer a private lifestyle. Residents are very welcome to take part in social activities at other local schemes and centres. Opportunities to take part in these activities are regularly advertised to all residents.

The scheme is close to the centre of Lancing village, which has supermarkets, banks, churches, GPs' surgeries and a post office. Worthing and Brighton are a bus-ride away.

We welcome residents from all sections of the community.

Sheltered housing schemes

Southern Housing Group Limited provides self-contained flats in 24 sheltered housing schemes in south east England for almost 1,500 people aged 60 or over.

To apply for a place, older people will normally need to put their names down on their council's housing register. However there are open waiting lists at some of our schemes. To find out more, call the Group's Service Centre (see below).

At sheltered housing schemes, residents sign up to an assured tenancy agreement and work with us to draw up a plan of the support they will receive. The cost of this support may be met by funding from the council's Supporting People budget for eligible residents.

Most schemes have a dedicated manager who provides support while on duty. Out of hours, residents have access to a community alarm call system.

Scheme managers:

- support residents to manage their tenancies
- make daily calls to all residents
- promote continued independence
- encourage residents to get involved in scheme activities
- involve other organisations that have resources to offer our residents.

Alongside the flats, schemes usually provide some shared facilities. For details see the front of this leaflet.
