Janson and Gurney Roads Stratford E15 1TG

Janson Road and Gurney Roads make up a sheltered scheme promoting independent living for older people. There are 58 one-bedroom flats and six two-bedroom flats. They are centrally-heated and accessible by lift.

The scheme benefits from a large communal lounge, where regular social activities are held.

The scheme is located close to Stratford and benefits from good transport links by bus and rail. There is a post office and a variety of local shops.

Most lettings for this scheme are allocated via the Choice Homes, choice-based lettings scheme operated by the East London Lettings Company. For further details, call our Service Centre.

We welcome residents from all sections of the community.

Sheltered housing schemes

Southern Housing Group Limited provides self-contained flats in 24 sheltered housing schemes in south east England for almost 1,500 people aged 60 or over.

To apply for a place, older people will normally need to put their names down on their council's housing register. However there are open waiting lists at some of our schemes. To find out more, call the Group's Service Centre (see below).

At sheltered housing schemes, residents sign up to an assured tenancy agreement and work with us to draw up a plan of the support they will receive. The cost of this support may be met by funding from the council's Supporting People budget for eligible residents.

Most schemes have a dedicated manager who provides support while on duty. Out of hours, residents have access to a community alarm call system.

Scheme managers:

- support residents to manage their tenancies
- make daily calls to all residents
- promote continued independence
- encourage residents to get involved in scheme activities
- involve other organisations that have resources to offer our residents.

Alongside the flats, schemes usually provide some shared facilities. For details see the front of this leaflet.
