Lewis House is a small sheltered housing scheme promoting independent living for older people. There are 13, one bedroom flats situated on the ground and first floors. Each flat has central heating.

The scheme is situated on the A112, very near to public transport and well located for shops and post offices. The nearest market is at Walthamstow and the area boasts a good many restaurants and pubs.

Most lettings for the scheme are allocated via the Choice Homes choice-based lettings scheme operated by the East London Lettings Company. For further details, contact our Service Centre.

Sheltered housing schemes

Southern Housing Group Limited provides self-contained flats in 24 sheltered housing schemes in south east England for almost 1,500 people aged 60 or over.

To apply for a place, older people will normally need to put their names down on their council's housing register. However there are open waiting lists at some of our schemes. To find out more, call the Group's Service Centre (see below).

At sheltered housing schemes, residents sign up to an assured tenancy agreement and work with us to draw up a plan of the support they will receive. The cost of this support may be met by funding from the council's Supporting People budget for eligible residents.

Most schemes have a dedicated manager who provides support while on duty. Out of hours, residents have access to a community alarm call system.

Scheme managers:

- support residents to manage their tenancies
- make daily calls to all residents
- promote continued independence
- encourage residents to get involved in scheme activities
- involve other organisations that have resources to offer our residents.

Alongside the flats, schemes usually provide some shared facilities. For details see the front of this leaflet.
