### Mustchin Foundation

Green Lane Close, Arundel, BN18 9QB

Mustchin Foundation is a sheltered scheme promoting independent living for older people. It is set in well-kept gardens and situated about a mile from the town of Arundel.

An active social committee arranges activities and trips, linking up with other schemes in the area, for those who enjoy socialising. The Lavinian Club for the area's over-50s also collects residents for regular activities and days out.

The scheme is near a local shop and opposite a GP's surgery and pharmacy. Arundel's shops are a short bus ride away. For a supermarket and other facilities, residents catch buses to Chichester and Littlehampton. There are also buses, several times a week, to a large supermarket.

Allocations are usually made via the local authority housing register. For further details, contact our Service Centre.

We welcome residents from all sections of the community.

# Sheltered housing schemes

Southern Housing Group Limited provides self-contained flats in 24 sheltered housing schemes in south east England for almost 1,500 people aged 60 or over.

To apply for a place, older people will normally need to put their names down on their council's housing register. However there are open waiting lists at some of our schemes. To find out more, call the Group's Service Centre (see below).

At sheltered housing schemes, residents sign up to an assured tenancy agreement and work with us to draw up a plan of the support they will receive. The cost of this support may be met by funding from the council's Supporting People budget for eligible residents.

Most schemes have a dedicated manager who provides support while on duty. Out of hours, residents have access to a community alarm call system.

Scheme managers:

- support residents to manage their tenancies
- make daily calls to all residents
- promote continued independence
- encourage residents to get involved in scheme activities
- involve other organisations that have resources to offer our residents.

Alongside the flats, schemes usually provide some shared facilities. For details see the front of this leaflet.
