Snowdown Court

Market Place, Aylesham, CT3 3ED

Snowdown court is a sheltered scheme promoting independent living for older people. Situated in the former coal mining village of Aylesham, this could be remote for some, however the scheme has a vibrant social calendar and residents often enjoy local community activities.

There are local shops, a post office and health services within a few minutes' walk. The scheme benefits from well-maintained grounds including a sensory garden and a greenhouse where residents can grow their own fruit and vegetables.

Regular bus services stop outside the scheme and a weekly free bus service takes residents to nearest large supermarket.

Vacancies are allocated to applicants on the Dover District Council Housing Register and we also hold a direct waiting list. For further details, contact our Service Centre.

We welcome residents from all sections of the community.

Sheltered housing schemes

Southern Housing Group Limited provides self-contained flats in 24 sheltered housing schemes in south east England for almost 1,500 people aged 60 or over.

To apply for a place, older people will normally need to put their names down on their council's housing register. However there are open waiting lists at some of our schemes. To find out more, call the Group's Service Centre (see below).

At sheltered housing schemes, residents sign up to an assured tenancy agreement and work with us to draw up a plan of the support they will receive. The cost of this support may be met by funding from the council's Supporting People budget for eligible residents.

Most schemes have a dedicated manager who provides support while on duty. Out of hours, residents have access to a community alarm call system.

Scheme managers:

- support residents to manage their tenancies
- make daily calls to all residents
- promote continued independence
- encourage residents to get involved in scheme activities
- involve other organisations that have resources to offer our residents.

Alongside the flats, schemes usually provide some shared facilities. For details see the front of this leaflet.
